S.P.L.I.S.H ADAPTIVE SWIM LESSONS

Social, Proactive, Learning, Independence, Swimming, and Having fun

Have you searched for swim lessons that fulfill the needs that your child has?

Strongsville Recreation is offering swim lessons with **Beth Lattime**. She is an intervention specialist with over 20 years of swim instruction experience and a Masters degree in Special Education.

Each lesson will include an initial assessment of your child. Lessons will either be private or semi private (maximum 2 students) dependent upon the needs of your child or teen. Participants will be grouped based upon their behavior temperament, age, swim ability, and disability perimeters.

Lessons will take place:

Participants will receive four half hour lessons on Monday evenings from 5:30-8:00 PM. (private and semi private)

SESSION I 4/11/11-5/16/11

Fees: \$108-\$188 (based on individual needs and member status)

Elizabeth (Beth) Lattime **S.P.L.I.S.H. Director**

Some of Beth's students with disabilities have included those with hearing impairments, Autism, Cerebral Palsy, language delays and mental retardation. She believes, "Often people with disabilities are misunderstood and underestimated for talents that go unnoticed. Just because someone has a disability, does not mean they cannot use their strengths to find enjoyment in sports such as swimming."

Preregistration can be done through Beth Lattime at ebethann@yahoo.com or by calling 440-580-3260 #5296. The Ehrnfelt Recreation Center is located at 18100 Royalton Road, Strongsville, Ohio. See www.strongsville.org for more information. Beth also has a group Facebook page for all swim lesson information. Inquire about it through email.
